God Draws Us

God draws us where we ought to go, by grace, by Providence. God wishes this following of this drawing, to Himself. Our offering, then, is ourselves to God. St. John the Baptist shows this fruitfulness. Drawn from the priestly families, draw from his family to God into the desert to offer himself day by day. Alone in prayer and penance, his union with God matured thru this self oblation. And prepared by the oblation of all his members in penance a holocaust of chastity. All his members mortified to the service of God. Are you allowing God to draw you? Are you watching for His call?

Spiritual Communion

My Jesus, I believe that You are present in the Most Blessed Sacrament. I love Thee above all things, and I desire to receive Thee into my soul. Since I cannot now receive Thee sacramentally, come at least spiritually into my heart. I embrace Thee as if Thou were already there and unite myself wholly to Thee.

Never permit me to be separated from Thee. Amen.

~ St. Alphonsus Liguori Raccolta #164
