### TOOLS TO FIGHT OUR ENEMY: GOD WITH US

The Word did not take flesh that we might be alone, but that Emmanuel might bring God near us. *The powers of darkness seek to make a man feel alone that his soul may despair and surrender to the enemy of God.* Those who live in the darkness do not know the Gospel, or they do not live the Gospel. For, Our Father will give His daily bread to those who ask and give His Light of the Gospel that we might walk in the light. They shall receive those graces needed to do His works if they would but ask the Father and do the work of the Father. This our Lord teaches us over and again and especially so as He goes to His Passion and death. It is at such times that we, living in the light of grace, and action, are more with God than any other. for God will pour Him **This time of struggle with the darkness of the enemy is a season of more graces than any other**, self out to those who would cry out to Him. Gather to Our Lord, to the Light of the world, especially thru the Holy Eucharist!

Let us then pray for ourselves, our families and friends, and our country. God will answer such a humble cry and know that you are not alone! Emmanuel seeks you!

May God protect us from our fallen nature and forgive our sins. ~ ✠
